- Class hours will be from 8:30 a.m. to 4:30 p.m. Students are welcome to stay afterwards for further consultation.
- Parking lots are to the east of the building and cost 3 dollars for the day (machines accept one dollar bills).
- We are very casual here at Configura. Please dress comfortably. Most of the time is spent in a training room where we have laptops set up for the students. Students will also get an office tour and meet the programmers.
- We provide a light breakfast and lunch.
- Students are on their own at night, but we are happy to make restaurant and shopping suggestions. A good source for Things To Do is [www.mlive.com](http://www.mlive.com)
